

ROYAL PARK  
HOTEL  
EVERY DAY LUXURY

## LIGHTS.SOUND.VIDEO

Transform your wedding dreams into reality with our innovative audiovisual services. From photo and video display, to LED & pinspot lighting, wireless microphones and more, our team is here to assist in enhancing your special day.

### Ballroom Video & Audio Package Starting at 250

Display your special photos or videos during your reception.

Note\* clients are responsible for bringing their own laptop, which must have HDMI output. Should you need our team to supply a laptop, there will be an additional charge of 250.

- 1 screen 250
- 2 screens 350
- 3 - 4 screens 500

### Be Your Own DJ 325

Create your own playlist, press play & dance the night away.

Our be-your-own DJ package includes the following.

- Two powered speakers & stands
- Audio mixer
- One bluetooth connection or headphone jack for phone, laptop, or other media player
- One wireless microphone

### LED Lighting 325

Our premium LED lighting package includes a one-of-a-kind custom-made color, 8 LED up-lights, and lighting controller, allowing us to change colors throughout your event. Additional LED's 50 each.

### Pinspot Lighting 500

Highlight your special details with pin spots. It is a perfect option to highlight your centerpieces or cake. Price includes 12 pin spots.

Additional pin spots may be added for 60 each.

### Conservatory Additions

- Handheld wireless microphone 125
- Hands-free lavalier microphone 125
